

BUNN®

My Cafe AutoPOD

Commercial-grade, single-cup system.

9.7" x 15.8" x 15.2"

Capacity (Servings/Hour): 60
(8 ounces servings)

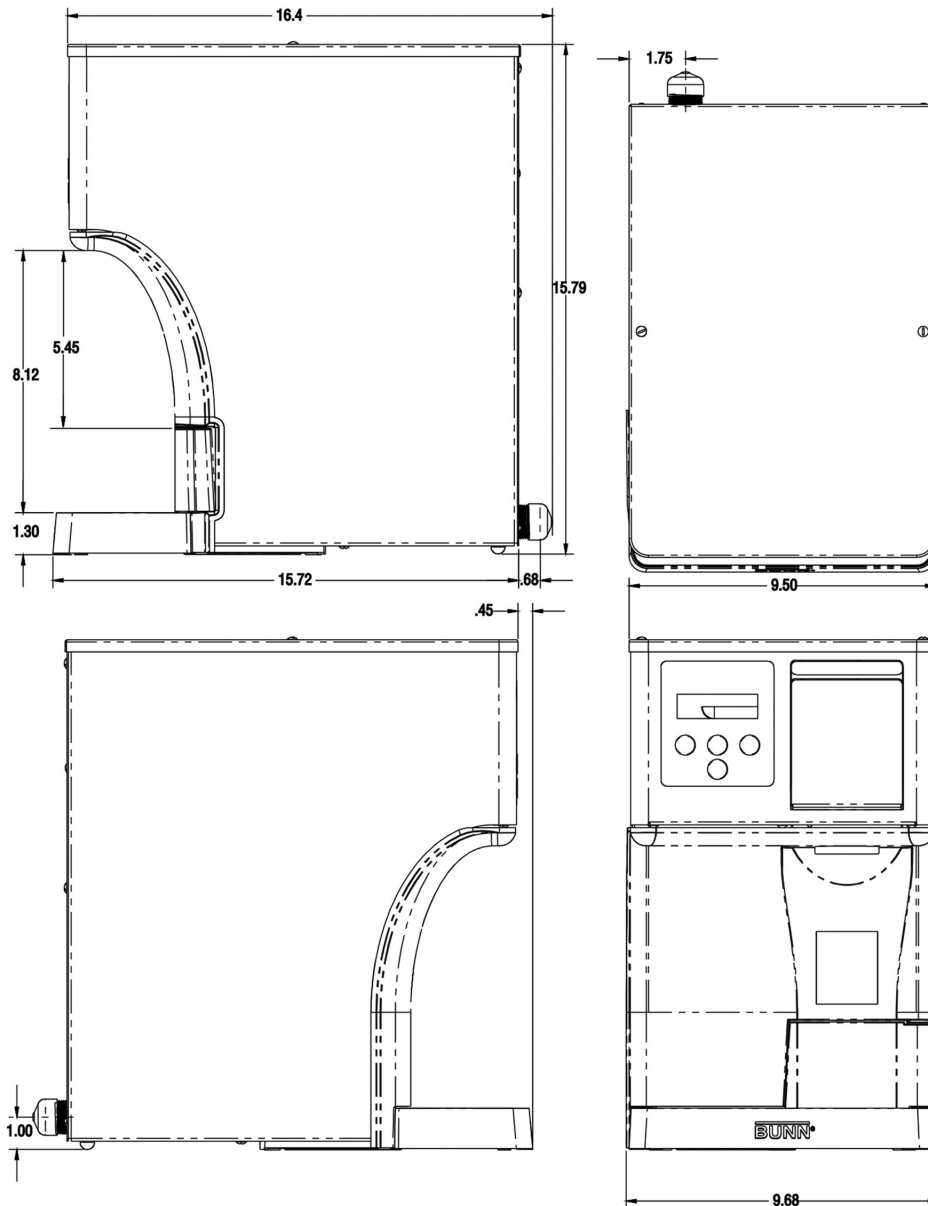

- Automatically disposes of spent pods after each brew
- Brews up to 16oz (473mL) of coffee or tea in less than a minute
- Control extraction utilizing pulse-brew technology with BrewMETER®
- Digital display in English/Spanish for easy programming, operation and control
- Eliminates waste by brewing one fresh cup at a time from a wide variety of coffee and tea pods
- Pod bin and drip tray can be modified for under-counter disposal of pods
- Push and hold hot water button provides up to 10oz (296mL) of hot water for cappuccino, cocoa and soups
- Integrated cup booster allows for 5" or 8" (12.7cm or 20.3cm) cup clearance
- Jet-action sprayhead design allows for proper extraction of all flavoring materials and aromatics
- New single tank pump design provides consistent brew quality on varying water pressures
- Automatically disposes of spent pods after each brew
- Removable pod bin holds up to 25 spent pods
- Works with Shurflo or Flojet pump system
- Recipe labels provided allow for customization of beverages dispensed
- Energy-saver mode reduces tank temperature during idle periods
